HMI-CERTIFIED

THIS PRODUCT HAS BEEN CERTIFIED BY THE HOIST MANUFACTURERS INSTITUTE

Spacemaster SX Wire Rope Hoist

R&M Materials Handling, Inc.

Hoist Manufacturers Institute (HMI) Certification states that this product and its manufacturer have met strict HMI requirements including:

- This Company must be a manufacturer of industrial hoisting equipment.
- This Product meets one or more Standards recognized by HMI.
- A qualified US-registered Professional Engineer has verified, signed and sealed that this Product meets the requirements of said Standard(s).
- This Company will provide a *Declaration of Conformity* for Technical, Service and Support.

The Hoist Manufacturers Institute is recognized as the authority and principal resource in the hoist industry. It is the leading advocate for the safe and proper operation of hoisting equipment and related products. HMI members are industry-leading suppliers of material handling equipment including manual and powered hoist and trolley manufacturing and distribution.
